An early scholarship bulletin is available for seniors in the Career Center. This is **NOT** the Scholarship Booklet that comes out before Christmas Break! The 10 scholarships listed have early deadlines. This information was also sent out to all the Senior government/econ and English teachers, so students can look over the bulletin in their classes.

The ASVAB Interpretation is scheduled for Wednesday, 12/8 in the Career Center. There will be two sessions. Students who took the ASVAB need to sign up in the Career Center for the session they want to attend. Space is limited, so first come first served. Score reports will be given to students at that time.
