Attn. Students: As you are aware we have a modified closed campus. Freshman and Sophomore students are restricted to campus while Junior and Seniors in good standing will be allowed to leave campus during lunch. Good Standing means that students are not academically ineligible or citizenship ineligible. Current sophomores and juniors who are ineligible at the end of this school year, will not be allowed off campus for lunch during the entire first semester next year. In addition if you have failed to fulfill your Thursday/Saturday school requirements for the current school year, you will be deemed ineligible and will lose your lunch privileges for next year. Eligibility is reviewed at the semester only. I encourage current students to work on their academics and give their best effort during our final week of school. The choices you make today will definitely impact you next year. Students deemed ineligible will receive notification of their lunch restriction via mail prior to the start of the 2012-13 school year. Thank you

Reminder to students - breakfast will be served **before** school at 7:15 a.m. and lunch will be served during the short break at 9:45 a.m.
